All,

Attached are the draft materials that are included in the hard-copy briefing books for Deb and Doug (compiled this afternoon).

Since we have a lot of materials for the CSKT portion of the trip (and a few related emails), I wanted to clarify the materials that are now under Deb/Doug's review.

Kim,

I made some edits to two of the attachments from earlier. I also created a proposed agenda to share with the Tribe. We can revise or edit next week and when we get feedback from Deb/Doug. Attached are the updated materials.

Thanks, Megan

**** Correction – I'm including the Lake Koocanusa (2017) Tribal-related document with discussion points without the red lettering at the end. Please use this copy. Thank you.**
